2. Read the District Fund Administration report for the year 1893-94.

Resolved that the same be approved and submitted to Government.

Read dockets Nos. 483 and 525, dated 28th July 1894 and 19th August 1894 respectively, from the Executive Engineer, Shimoga Division, enquiring whether the District Fund Board of this District is prepared to bear the cost of making so much of the Channagiri-Malebennur road as lies in this District, such cost being Rs. 4,907.

Resolved that this Board was not consulted before the work was started, that the funds of the Board are not in a flourishing condition, that the road in question is not an important one so far as this District is concerned, that the cost is prohibitive and quite out of proportion to the length of the road (2¼ miles), that local projects of a more pressing and useful character have had to be either abandoned or put off indefinitely for want of funds and that under these circumstances [illegible]
